WOOD-KNOCKER® II+

BANG-IT®+

DEWALT

ANCHORS & FASTENERS

SQUARE RECESS

Located in center of head to eliminate anchor rotation when installing rod

PERFORATED NAILS

Allows nails to be easily removed after the formwork is stripped off

CINCH NUT TECHNOLOGY

Internal locking mechanism allows for alignment when pushing rod into anchor

CONICAL SPRING

Ensures even sealing of anchor to metal deck

PRE-DRILLED HOLES

4 holes allow for fastening of anchor to deck

WIDE BASE

2-3/8 in. diameter base provides stability on formwork

SEALING MEMBRANE

Guides threaded rod and protects from spray insulation

TOOTHED SLEEVE

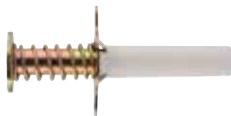

Guides threaded rod and protects from spray insulation

Edge's All-Inclusive On-Site Inventory Management Solution
with Optional NOS Fill App Program

- Stock the right items for your job or shop. Use the size of container that is best for you.
- Access your inventory when you need it. Eliminate costly down time by having the right items on site.
- Keep track of inventory counts and usage, visually in the box, on a spreadsheet or with the NOSFill App.
- Order product or have Edge replenish routinely. Optional NOSFill App makes replenishing quicker.

**Ask your EDGE rep. for a demo
of the NOS Fill app Today!**

All offers, pricing, and specifications are subject to change and/or availability and may be discontinued or changed without prior notice. Offers may not be combined with any other offer or promotion. Quantities may be limited and not subject to restocking. No rainchecks and backorders may be excluded from promotion. Edge reserves the right of resale and to limit quantities. Prior sales, contract and project pricing agreements are excluded from all offers and promotions. All offers and/or promotions are valid only in conjunction with published promotional pricing. Edge is not responsible for omissions, typographical errors, incorrect images or changes made to the product by the manufacturer. Lowest price prevails on all promotions. For any mix and match deals, lowest price prevails.
